**THE WHITE LOUNGE – FANTASTIC DAYS AND MAGIC NIGHTS IN MAYRHOFEN**

If you're looking for an exceptional mountain experience, the White Lounge in Mayrhofen, located on the Ahorn Plateau at 2,000 meters above sea level, is just the right place for you. The Igloo Hotel, which has seven exclusive suites that are built every winter with great attention to detail, guarantees an unforgettable night. Have a cocktail at the bar while listening to chill-out music and watching the alpenglow at the end of a great day of skiing. Enjoy a romantic dinner, go for a torch hike under the starry sky, or try curling in exceptional scenery. Let yourself be enchanted by the magical atmosphere. When it's time to go to bed, you'll slip into your cozy sleeping bag atop an insulated surface in your room made entirely of snow. For a particularly romantic night, book our Romance Package, which offers a very special program with an overnight stay in an igloo suite for two. After a leisurely breakfast in your igloo or on the sun terrace the following morning, you'll be ready for another beautiful day on the slopes. A highlight for all winter sports enthusiasts will be hitting the empty and freshly prepared pistes before the day guests arrive. In the afternoon, head back over to the White Lounge Chill-Out-Area, sit back in one of the deck chairs, and sip a delicious drink.

If you want to spend a night at the White Lounge, you can book either the Romance Package or the Basic Package.
